Dear ojas,

Congratulations.

We are pleased to welcome you to BML Munjal University (a Hero Group initiative) with a Provisional Offer of Admission to the Residential B.Tech. Computer Science Engineering Programme, commencing in August 2026.

Your selection reflects strong academic merit and overall performance. From among a large and competitive applicant pool, you have been identified as part of a carefully selected cohort that will benefit from a rigorous, industry-integrated engineering education designed to build technical excellence, analytical depth, and real-world problem-solving capability.

At the School of Engineering & Technology, BMU, our focus is to prepare students not only for engineering careers, but for leadership roles in technology-driven industries and entrepreneurship.

Key academic strengths of the programme include:

- Industry-connected engineering education, shaped through collaborations with leading organisations, technology partners, and research institutions.
- Practice-led curriculum, integrating labs, live projects, internships, and experiential learning.
- Location advantage in Delhi-NCR, providing proximity to India's largest technology, manufacturing, and startup ecosystem.

We look forward to welcoming you as part of the BMU engineering community and supporting your journey of academic, professional, and personal growth.

Conditions of Admission

This offer is subject to:

- Successful completion of Class 12 from a recognised board
- Submission of required academic documents
- Submission of valid JEE / SAT / BMU-SAT scores
- Fulfilment of all admission requirements within the stipulated timelines

Next Steps

Please confirm your acceptance before 06/02/2026 (MM/DD/YYYY) by:

- Submitting the enclosed Acceptance Form
- Depositing the Acceptance Fee (details in Annexure 1)

Important: Please note that timely completion of the above steps is essential to secure your admission, failing which the offer may lapse, and your seat may be offered to another candidate.

For any assistance, please contact your admission counsellor:

Sucharu Sahni +91-8810200196 sucharu.sahni@bmu.edu.in or email us at soet.admissions2026@bmu.edu.in.
Alternatively, you can connect with **Ms. Kritika Sharma** at **+91-8799762445**.

We congratulate you once again on your provisional admission and look forward to welcoming you to BML Munjal University.

Warm regards,
Dr. Rishi Asthana
Associate Dean - Admissions
School of Engineering & Technology
BML Munjal University

Annexure – 1
